2014 ANNUAL TRAINING SEMINAR OF THE CANADIAN POLICE CHAPLAIN ASSOCIATION

TRAINING FOR EXCELLENCE

NOVEMBER 17 - 21, 2014

RCMP E DIVISION HEADQUARTERS
14200 GREEN TIMBERS WAY
SURREY BC V3T 6P3

WELCOME:

It is hard for me to believe that it has been seven years since we, in "E" Division hosted the ATS. The last time we met we were at the Pacific Regional Training Facility in Chilliwack, BC at the location of the former CFB Chilliwack.

Now for this year we are in the new home for "E" Division and a large number of the Integrated Units that serve Policing in BC. A portion of the Green Timbers Experimental Forest has now become the home of this great facility.

Over 2500 people work in this location for the benefit of the quality of life enjoyed by the people of British Columbia.

This state of the art "LEED" Gold Standard building is environmentally friendly and functional for the advancement of the cause of "Safe Home and Safe Communities." It is in this context that we will conduct our Annual Training Seminar.

The quality of workshops and presenters has been improved even from the previous high standard that we have delivered. We have added an enrichment track as well as one Certified CISM Course.

Please feel welcome to join us and have a learning experience that is uniquely Canadian and will enhance the quality of service you will provide.

Sincerely,
Jim Turner
Divisional Chaplain
"E" Division RCMP
